## Application and attachments

1. Application
2. Synopsis
3. Screenplay (in the case of a documentary film or series, a detailed description of the theme and structure of the film/series, including a selection of characters and their ideological attitudes, filming locations and evidential value for the documentary etc.)
4. Creative designs if this is an animated film/series
5. Audiovisual material, if available – finished work, rough cut, clips etc.
6. Co-production agreement/agreements (copy/copies) if the applicant is a co-producer of the work
7. Service agreement (copy) if the applicant is not the co-producer or producer of the work
8. Authorisation to submit the application if the applicant is not the co-producer of the work and has been contractually commissioned by a producer with registered office outside of the Czech Republic to submit an application for an endowment grant (copy)
9. Affidavit by the applicant regarding public support (de minimis)
10. Documents on provision of distribution of the project outside of the Czech Republic (copy/copies)
11. Document proving the start of filming – if filming commenced before submission of the application. “Start of filming” shall be understood to mean principal photography for the film or series/series episode. Preliminary filming, tests, filming of trailers or teasers, filming for the purposes of casting or scouting, etc. shall not be considered “start of filming” for these purposes.  
If filming will not begin until after submission of the application, the applicant is obliged to supplement their application without delay after submission to include a document proving the start of filming.

By signing this application, the Applicant confirms the accuracy and truthfulness of the details specified in this application and in all of its attachments and is aware of the consequences of the possible falsehood of the details specified herein.

By signing this application, the Applicant gives their consent to processing of personal data and handling of the information specified in this application in relation to processing and evaluation of the application, the regular activity of the Endowment Fund, provision of information about its activity and for performance of checks. The applicant declares that it has all required consent of third parties entitling it to provide such consent.
